Enclosure No. 1 to
FL Field Dispatch No.
DATED
APR 1 9 1956

11 April 1956

MEMORALDUM FOR:

(IDEN A)

25X1A2e

25X1C4a

SUBJECT:

Letter of Instructions

Having been selected to make a TDY trip to the Far East, you will be governed by the following instructions:

l. Mission: To proceed to the Far Last and specifically
Southeast Asia to conduct a medical survey of stations as
appear in your itinerary (paragraph 5 below). You will be
directly responsible to Headquarters and will report for guidance
and assistance from the Senior Medical Representative,

X1A6a
the Chief, Support Base, and Chief of Station,

25X1A6a

- 3. Objectives: You will visit the stations listed in paragraph 5, and study medical conditions and facilities as they relate to the health and welfare of KUBARK personnel, their dependents, and the KUBARK mission. You will devote particular attention to possible means through which available services and evacuation may be improved.
- 4. Reporting: You will be required to submit a report of your findings from each station, which will be sent directly to Chief, Far Last Division, with information copies for Chief, Medical Staff, and Chief, FE Support Base, Upon your25X1A6a return to Headquarters your final recommendations and conclusions will be prepared for consideration by appropriate Headquarters authorities.
- 5. Itinerary: Upon your departure from Headquarters, you will report to the Chief of Station or Base at each place listed below:

25X1A6a

NOTE: You will advise stations concerned exact time of arrival and remain at each station for as long a time as necessary to complete assigned mission.

6. You are authorized to secure any funds necessary for your mission from the stations and bases listed above; also your use of communications facilities is authorized.
